Real Estate means struggling with a lot of entities and SPVs
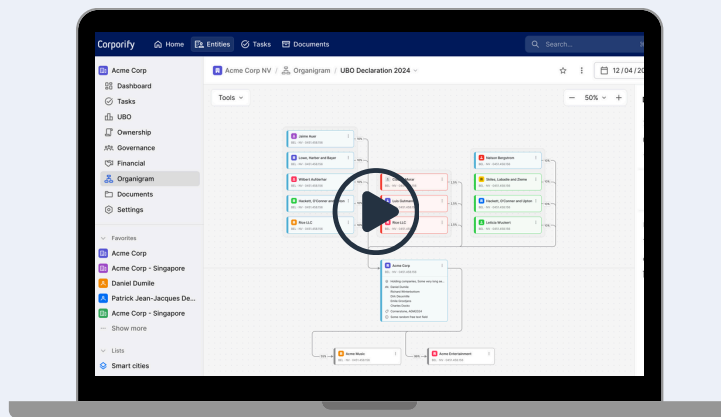

Stay compliant, gain efficiency and remain 100% in control

Do you recognize the following challenges:

01 **Uncertainty** whether entity data is up to date & accurate

02 **Manual work** for updating various org charts

03 **Time spent** on reporting, filling bank forms and UBO filings

04 **Risk** of missing important deadlines

05 **Insecure** email communication with stakeholders/advisors

Corporify
